>Biju and Hamtaro went down the lane<p><p>

Picking flowers and sugar cane

They had only half a brain

To share, how sad, between them.

A truck ran by the little rats

And dumped on them a million cats

That were hungry and really fat

So they had to run away.

Hamtaro helped Biju sing

He tied her blue ribbon thing

They listened to the school bell ding

As they went down the lane.
